COMPTROLLER'S MEMORANDUM NO. 2003-23

TO: All Department Heads

ATTN: Telecommunications Coordinators

SUBJECT: Update of Government Section Listings in Verizon's 2003 to 2004 Directory for the Island of Hawaii

Verizon Hawaii, Inc. (Verizon) is updating the government section listings for the white pages of the 2003-2004 Verizon telephone directory. Please submit your department's updates to the Telecommunications Services Branch of the Information and Communication Services Division (ICSD).

Submit all updates by 4:30 p.m. on October 8, 2003.

The ICSD will consolidate the telephone directory updates for State agencies and submit them to Verizon.

Keeping in mind that this is for the Hawaii State Government Section only, please proceed as follows:

1) Review the attached listings (as they appear on the white pages in the Hawaii State Government Section in the 2002-2003 Verizon Hawaii telephone directory) that are appropriate for your department.

2) Delete a telephone number by drawing a line through the entire line item and typing or printing the word DELETE next to the number.

3) Change a line item by drawing a line through the affected part(s) of the line item (e.g., agency name, telephone number, etc.) and typing or printing the change(s) next to the line if it can be done legibly. If it cannot be done legibly, type the

change on a separate 8½"x11" paper with clear instructions on where it is to be changed in the directory listing.

4) Add a line item by typing or printing the new information (e.g., agency name, telephone number, etc.) at the point where it is to be inserted in the directory listing if it can be done legibly. If it cannot be done legibly, type the new line item on a separate 8½"x11" paper with clear instructions on where it is to be inserted in the directory listing.

5) Replace an entire page by retyping all telephone listings on a separate 8½"x11" paper incorporating all additions, changes, and deletions. Submit both the replacement page and the replaced (photocopied) page. Type or print REPLACEMENT at the top of the replacement page and REPLACED at the top of the replaced page.

6) If there are no changes, type or print the words NO CHANGES on the photocopied page.

7) Please coordinate all directory update submissions through your departmental telecommunications coordinators or designated representative and submit them to:
